

27th November 2019

Dear all,

Please find attached information about Strength in Mind counselling service, this service is provided to DSPL4 schools free of charge from January 2020.

If you wish to refer a child for counselling please complete the following:

- Strength in mind referral form
- SDQ
- RCAD

These documents should be returned to support@strengthenmind.org.uk

These sessions will be held at the school making the referral. Referrers should ensure that they have a confidential room available to host the therapy sessions for the children and young people they refer. If you are a small school and do not have a room, it may be possible to use a nearby school. Therefore on Lesley's letter she is requesting information form settings regarding the availability of rooms.

Yours sincerely

Susan J Camp
